U.S. Grain Storage Systems Inc.
1528 Silver Maple Drive
De Pere, WI 54115

To Whom It May Concern:

I would like to thank U.S. Grain Storage systems for the millwright work that was done this past summer. The crews were not only prompt, but fixed all damaged equipment in both a timely and professional manner. Your sales staff completed all required job quotes on-site and on time, as well as on budget. In addition, your engineer came to the worksite on the day that the call was put in and completed the work on the same day.

Your professionalism is greatly appreciated. Thank you again.

Sincerely,

Kris Aho
Operations/Grain Manager
Farmers Cooperative Company
